FOR RELEASE: June 12, 2009

Beginning on Tuesday, June 16th at 6:00 AM, Queen Street between Meeting and King will be closed to thru traffic. This closure is being permitted to allow access to the roof of the Mills House by a crane. This closure is scheduled to end on June 17th and will be in effect from 6:00 AM until 7:00 PM each day.

Vehicular access to the county garage via the Meeting Street entrance will be unaffected. Motorists will be able to exit the parking structure as usual. Motorists will be alerted to this change through temporary work zone signage and the positioning of two off-duty police officers for the duration of the project.

If all goes well, the work will be accomplished early in the day on the 17th of June and the street will be reopened as soon as possible thereafter.
